EXPERIENCE

Jake Myddelton joined Hughes Commercial Real Estate in 2020. Prior to entering commercial real estate, Jake facilitated the creation of new offices in Georgia, South Carolina, and North Carolina for a large Florida based commercial contractor. Within several years Jake was able to develop those offices to contribute \$60M annually to the overall gross revenue of the parent company. Prior to Jake's commercial construction experience, he oversaw acquisition and disposition strategies for a private development and construction management firm. Managed projects consisting of retail, residential and multi-family totaling over \$22M throughout the Southeast.
