LogistiCenter® at Boggs Road

Location

LogistiCenter® at Boggs Road is located in the I-20 West Atlanta submarket, which contains 63,009,059 square feet of industrial space. A majority of these industrial buildings are leased by a variety of light and bulk warehouseing, manufacturing, distribution and e-commerce companies. Immediate corporate neighbors include: Southwire, Turano Baking Co., SERVPRO, Southeast Connections, and Scruggs Blending & Packaging.

LogistiCenter® at Boggs Road's location provides immediate access to Atlanta's major transportation arteries via I-20 servicing the city, which include I-285, I-85, I-75 and GA-400. Atlanta's transportation arteries lend direct access to the Appalachian Regional Port, Port of Savannah and Port of Charleston.

With 806 million square feet of industrial space and counting, the Metro Atlanta market remains on solid footing. Atlanta's low business costs, abundance of labor, robust infrastructure and port access make it an important national distribution hub. Atlanta continues to benefit from fast-growing Southeastern ports such as those in Savannah and Charleston.

About Dermody Properties

Dermody Properties is a privately-owned real estate investment, development and management firm that specializes in the acquisition and development of logistics real estate in strategic locations for e-commerce fulfillment centers, third-party logistics and distribution customers. Founded in 1960, Dermody Properties has invested more than \$10 billion of total capital across all platforms nationwide, having acquired and developed approximately 110 million square feet of logistics and industrial facilities. In addition to its corporate office in Reno, Nev., it has regional offices in northern and southern California, Atlanta, Phoenix, Seattle, Chicago, Dallas and New Jersey. For more information, visit www.Dermody.com.

About the LogistiCenter® Brand

LogistiCenter® is a national trademark brand, owned and developed by Dermody Properties. It represents the firm's business philosophy of developing Class A distribution facilities that meet the supply-chain requirements of the most innovative companies. All LogistiCenter® facilities are designed to meet best practices in sustainable design and construction, and incorporate building features, such as additional clear height and extra trailer and car parking, that enable companies to execute their operations more effectively and efficiently.

About Hughes Commercial Real Estate
